

# Adam Hatley Council Seat Voting Area 9

## Candidate Information

I'm Adam Hatley, and as your SRP Councilmember for District 9, covering Mesa and a portion of Tempe, I'm seeking your support for re-election. Together with my wife Amy and our six children, we're dedicated to our community. As president-elect of the Arizona Cotton Growers, I'm deeply involved in Arizona's agriculture.

Agriculture is more than a job for me; it's a family tradition. I'm a third-generation farmer. Our family runs the Associated Farming Company on 3,600 leased acres, where we grow a variety of crops like cotton, alfalfa, corn, barley, and certified organically leafy greens.

My commitment extends to various community roles, including the Natural Resource Conservation District Board and the County and State Farm Bureau. I'm also a Texas A&M Executive program TEPAP graduate.

In my role on the SRP Council, my priority is to ensure SRP delivers affordable, reliable, and sustainable energy to our customers. It's noteworthy that SRP's electric rates are 25% lower compared to other local utilities, reflecting my commitment to affordability. I've backed the transition to cleaner energy, contributing to SRP's significant reduction in carbon intensity by 35% since 2005.

Beyond energy, I'm championing sustainable practices within SRP, like embedding environmental considerations in our purchasing and reducing landfill waste by 2035. A key focus area is improving water conservation, which is crucial for our desert region's sustainability.

I balance environmental stewardship with economic stability. My goal is to maintain SRP's services as affordable and reliable, steering us towards sustainability.

Your vote will allow me to continue serving our community on the SRP Council. Together, we can ensure a thriving, sustainable future for District 9. Vote for Adam Hatley, a leader committed to affordable, reliable, and sustainable energy in Arizona.
