13 hearing on the Application, and the decision on the Application by the Committee.  
14 Communication by the parties with the Chairman about any procedural matter during the  
15 time an Application is pending shall be in writing or, if oral, shall be memorialized by an e-  
16 mail or other written summary with a copy of the written communication or summary to all  
17 parties and potential parties, or shall be on the record at pre-filing conferences, at pre-  
18 hearing conferences, or at the hearing on the Application. Any party who initiates any  
19 written communication sent to the Chairman, or who summarizes an oral communication  
20 with the Chairman on a procedural matter, shall file with Docket Control a copy of the  
21 communication or summary, including its distribution list, within 10 days of sending the  
22 written communication or making the oral communication.

23           10.    Parties and potential parties shall not communicate with any Commissioner  
24 of the Commission concerning the substantive merits of the Application while the

26 A.A.C. R14-3-113.

27           11.    Whenever an agenda is filed pursuant to A.R.S. § 38-431.02, all parties and  
28 potential parties shall serve upon the Chairman as soon as practicable, and at least forty-

1 eight (48) hours before the hearing or meeting described in the agenda, any objections,  
2 additions, or corrections to the agenda they believe are necessary in order to bring the  
3 agenda into compliance with A.R.S. § 38-431.02. The objections, additions or corrections  
4 shall be in writing and shall be served upon all other parties and potential parties. A copy  
5 shall be filed with Docket Control. Objections that are not timely raised will be deemed  
6 waived.

7 12. Service of any pleading, document, or writing upon the Chairman may be  
8 made electronically to the e-mail address of the Chairman below. Service of any pleading,  
9 document or writing upon parties and potential parties may be made electronically to the e-  
10 mail address of the parties and potential parties. Any pleading, document or writing filed  
11 with Docket Control shall include the appropriate number of copies as determined by  
12 Docket Control.

13 13. All parties and potential parties shall file with Docket Control and exchange  
14 with all other parties and potential parties brief summaries of the expected direct testimony  
15 of each witness they will call. In lieu of a testimonial summary, a party or potential party  
16 may file with Docket Control and exchange with all other parties and potential parties all or  
17 substantially all of the direct testimony of any witness. In either case, whether testimonial  
18 summaries or direct testimony, the parties are expected to present live testimony regarding  
19 the matters set forth therein. Testimonial summaries and direct testimony shall be filed  
20 with Docket Control and exchanged with parties and potential parties by 5:00 p.m. of the  
21 day before the pre-hearing conference set below. Except for good cause, no witness will be  
22 allowed to testify on direct examination concerning issues not reasonably identified in the  
23 testimonial summary and direct testimony.

24 14. All parties and potential parties shall meet, confer, and exchange all exhibits  
25 the party or potential party plans to offer in evidence by 5:00 p.m. of the day before the  
26 pre-hearing conference set below. The Applicant shall, and other parties and potential  
27 parties may, provide one or more three-ring binders for the Chairman and each Member of  
28 the Committee to hold exhibits at the beginning of the hearing and as needed during the

1 hearing. Each party and potential party shall prepare for the Chairman and each Committee  
2 Member a numbered list of the exhibits and a copy of all exhibits suitable for placement in  
3 the binders that each party and potential party expects to offer in evidence at the hearing.  
4 The exhibits shall be provided to the Chairman and each Committee Member at the  
5 beginning of the hearing and during the hearing before reference to the exhibit is made in  
6 the hearing. In lieu of copies of exhibits in paper format, Applicant may provide the  
7 Chairman and each Member of the Committee a laptop, tablet or iPad loaded with  
8 electronic copies of the exhibits. Except for good cause, no exhibit that was not exchanged  
9 with the other parties shall be considered at the hearing. Any exhibit to which reference is  
10 made during any hearing that is not offered or admitted into evidence shall be provided to  
11 the court reporter at the hearing for inclusion in the record, unless it is withdrawn and the  
12 Chairman determines its filing is not necessary to an understanding of the actions of the  
13 Committee.

14 15. All exhibits shall be consecutively numbered, with the Applicant's exhibits  
15 denominated: SRP-1, SRP-2, etc. Each intervening party will be assigned by the Chairman  
16 a letter or letters of the alphabet as a preface with which to consecutively number its  
17 exhibits.

18 16. The Applicant shall create an exhibit summarizing all public outreach efforts  
19 concerning the Application, with representatives of federal, state and municipal bodies and  
20 the general public, and all comments received as a result of such public outreach, including  
21 comments received at meetings, through comment cards, emails, phone calls, faxes,  
22 correspondence, social media and through the Applicant's website. Applicant shall  
23 exchange the exhibit with all parties and potential parties and the Chairman by 5:00 p.m. of  
24 the day before the pre-hearing conference set below.

25 17. The Applicant may make an opening statement at the beginning of the  
26 hearing of no more than thirty (30) minutes. Each other party may make an opening  
27 statement of no more than five (5) minutes.

28 18. Public comment will be heard after the opening statements and at other times

1 set by the Chairman during the hearing. See ¶ 4 above.

2 19. No tour of the Project Area is planned by the Committee at this time. If the  
3 Chairman later decides to conduct a tour, the Applicant shall provide notice that includes a  
4 map and itinerary of such tour, and will make the notice available at the hearing and shall  
5 post the same on the Project and Commission websites. In the event the Chairman  
6 determines that a tour or tours of the proposed locations of facilities proposed in the  
7 Application is appropriate, the Applicant shall arrange for transportation for Committee  
8 Members who wish to attend. The Applicant shall submit to the Chairman, before the pre-  
9 hearing conference set below, a schedule and protocol agreed to by all parties and potential  
10 parties for each tour. If all parties and potential parties do not agree upon the schedule and  
11 protocol for each tour, the disagreements shall be submitted to the Chairman for resolution.  
12 The protocol shall identify the tour route, identify the location of any stops, and identify  
13 any witnesses who will accompany each tour. Counsel may ask brief explanatory  
14 questions of the identified witness or witnesses during the stops about the location, what  
15 can be seen from the location of the stop and the relevance of the location or view to the  
16 Application, at the discretion of the Chairman. All witnesses who testify on each tour shall  
17 be sworn before their testimony. All questions and answers shall be before a court  
18 reporter. No testimony or discussion with or between Committee Members about the  
19 merits of the Application will take place, except on the record before a court reporter at the  
20 designated stops. The protocol shall provide for access to members of the public to any  
21 testimony presented at stops on each tour. Members of the public who wish to observe the  
22 tour are encouraged to notify the Applicant or the Chairman in advance of their intention to  
23 follow and observe the tour.

24 20. Parties may present their witnesses in panels where appropriate. A party or  
25 potential party who intends to present witnesses in panels shall identify the members of any  
26 panel at the time it files its testimonial summaries or direct testimony.

27 21. The Applicant shall make arrangements for the preparation of expedited  
28 court reporter transcripts of all pre-filing conferences, all pre-hearing conferences, and the

1 hearing, so that the transcripts are available for public inspection within three working days  
2 after each hearing date, as required by A.R.S. §§ 38-431.01(D) and 40-360.04(C). In  
3 addition, the Applicant shall file a certification with Docket Control that it has provided a  
4 copy of the transcripts to two public libraries identified in the certification that are in the  
5 vicinity of the proposed route and alternates in the Application. The Applicant shall also  
6 post the transcripts on the Applicant's project website at: <https://www.srp.net/smt>.  
7 Transcripts shall remain on the Applicant's project website until 30 days after the final  
8 decision has been issued by the Commission.

9 22. At or before the pre-hearing conference set below, the Applicant shall, and  
10 the other parties and potential parties may, file proposed findings of fact, proposed  
11 conclusions of law, the wording of any proposed certificate of environmental compatibility,  
12 and the wording of any proposed conditions to the certificate.

13 23. If the beginning of closing arguments and the Committee's deliberations are  
14 more than one week after the beginning of the hearing, the parties shall meet and confer  
15 before closing arguments, concerning proposed findings of fact, proposed conclusions of  
16 law, a proposed certificate of environmental compatibility and the wording of any proposed  
17 conditions to the certificate. If the parties are able to agree upon part or all of the proposed  
18 findings of fact, proposed conclusions of law, proposed forms of a certificate of  
19 environmental compatibility and proposed wording of conditions to the certificate, all that  
20 is agreed upon should be reduced to writing and filed. If the parties are not able to agree  
21 completely, the Applicant shall, and all other parties may, file proposed findings of fact,  
22 proposed conclusions of law, proposed wording of a certificate of environmental  
23 compatibility and proposed wording of conditions to the certificate on the day before the  
24 beginning of closing arguments and the Committee's deliberations.

25 24. If the Applicant or any other party proposes conditions based upon conditions  
26 used in prior cases, each proposed condition from a prior case shall contain the case  
27 number of the most recent prior certificate of environmental compatibility using the  
28 language approved by the Commission. Any proposed additions, deletions or

1 modifications to the language approved by the Commission for each prior condition shall  
2 be designated using the “Track Changes” function.

3         25. All pleadings, testimonial summaries, direct testimony, proposed findings of  
4 fact, proposed conclusions of law, proposed certificates of environmental compatibility and

14 Chairman for distribution to the Committee, and a copy shall be sent electronically to the e-  
15 mail address of the Chairman.

16         26. If the final wording of the certificate of environmental compatibility that is  
17 adopted by the Committee at the end of the hearing is in dispute, the Chairman may order  
18 the parties to meet and confer in person or electronically to determine if they can agree  
19 upon the final wording of a proposed certificate of environmental compatibility. If the  
20 parties can agree upon the final wording of a proposed certificate of environmental  
21 compatibility, Applicant shall forthwith hand-deliver the agreed-upon proposed certificate  
22 of environmental compatibility to the Chairman for signature. If the parties are not able to
